I. ADVERTISEMENT FOR EXECUTIVE ARCHITECT DESIGN SERVICES

The University of California, Riverside (UCR) is initiating an agreement for Design Professional Services to complete, and therefore invites qualified Architectural Consultants with relevant successful experience in greenhouse design and construction in a University setting to submit written statements of qualifications.

- Services will be assigned using an Executive Design Professional Agreement (EDPA)

The complete RFQ packet will be available (in electronic format only) **July 25, 2019** to receive a copy of the RFQ Documents, email the RFQ Administrator listed below:

Kara Longtin  
UCR Contracts Administration  
Email: kara.longtin@ucr.edu

It would be highly appreciated, but is not mandatory, that interested firms contact the RFQ Administrator via email with their intent to submit Qualification Documents for this project, by **August 2, 2019**.

Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Each candidate firm will be required to show evidence of its equal employment opportunity policy.

The University reserves the right to reject any or all responses to this RFQ and to waive non-material irregularities in any response received.

All information submitted for evaluation shall be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

**Dates Published:** July 24, 2019 – August 3, 2019
II. PROJECT INFORMATION AND REQUIREMENTS

A. BACKGROUND & DESCRIPTION

University of California Riverside (UCR) situated on 1,125 acres located three miles east of downtown Riverside is in the heart of the “Inland Empire,” an area that includes western Riverside and San Bernardino counties and has become one of the fastest growing areas in California. UCR serves as one of the most important educational and cultural resources for the area.

The subject project is off the main campus and is located at 4650 14th Street, Riverside. The property is occupied by the UCR Department of Plant Pathology, CITRUS CLONAL PROTECTION PROGRAM. The intent of this request for qualifications is to upgrade the existing screen house and to complete the full enclosure of the facility by removing the existing screen mesh, adding new structure as required and re-sheathing the exterior walls and roof, and interior partition wall with dual-wall polycarbonate. It is requested that a new vestibule be added between the existing entry vestibule and the ‘C’ section of the greenhouse, so that there is a single point of ingress/egress, DCFM requirements for egress shall also be included. Consequent to fully enclosing the greenhouse, and such that it is an APHIS Exclusionary Facility, a new mechanical system shall be engineered to maintain temperature not to exceed 105 degrees Fahrenheit and that is suitable for citrus as determined by the CCPP, and that shall afford reliability, redundancy, low operating cost, maintainability, and with least compromise of the exclusionary containment. Electricity service to the property is by Riverside Public Utilities and is 400-amp 120-240v three-phase/high-leg, it is requested that the power be upgraded to 800-amp 120-208v three-phase 4-wire service, and that the existing onsite electrical power distribution shall be made compatible. Structural review of the screen house and of the adjacent soil transfer building, and requisite structural reinforcement shall be included.

B. SIMILAR PROJECT EXPERIENCE

1. The selected firm’s team members shall have experience in designing greenhouses, greenhouse controls, mechanical, electrical, plumbing, civil engineering, accessibility ingress/egress, fire alarm.
2. The selected firm shall possess previous experience in greenhouse project delivery.

C. SCOPE OF SERVICES

1. The successful firm will work with the University’s Representatives in designing a fully functional APHIS Exclusionary Facility.
2. Provide Architectural and Engineering Services in accordance with the terms of the EDPA as required for phases of Schematic Design, Design Development, Working Drawings / Construction Documents, Bidding, Construction Administration, and the 11th month warranty site review / report.
3. Provide detailed cost estimates of the probable construction costs as detailed in the EDPA for the various phases, and fully participate in any Value Engineering sessions.
4. Provide Architectural and Engineering Services to obtain the design and completion of construction within the construction budget as detailed in the EDPA along with preparing University approved additive alternates.

5. Provide Architectural and Engineering Services to obtain all necessary reviews and approvals through UC Riverside Campus Permit Program.

6. Provide Architectural and Engineering Services to obtain all necessary reviews, comments, and approvals by various UC Riverside departments including Environmental Health and Safety, Facilities Services, Planning Design & Construction, Citrus Clonal Protection Program, CNAS Dean’s office, office of Research and Economic Development.

D. SCHEDULE

1. It is anticipated that schematic design would commence immediately with construction documents being “Bid Ready” within 60 calendar days. It is desired that Construction be completed 1st qtr. 2020.

E. CONTRACT REQUIREMENTS

1. All consulting services to be provided by the consultant shall be in accordance with the issued University Contract Documents, and the University Standard Form of Executive Design Professional Services Agreement (EDPA).
   a. Note any exceptions to the attached Executive Design Professional Services Agreement (“EDPA”) that would prevent your firm from executing the Agreement in your response. We cannot accept any request to include language to limit liability with regards to insurance and/or modify the indemnification clauses.

2. University requires evidence of insurance coverage: general liability, automobile liability, and worker’s compensation. If consultant does not currently have coverage in accordance with University requirements, listed below, documentation shall be submitted indicating that such coverage will be in place prior to execution of the Consultant Agreement.

F. SCHEDULE FOR SCREENING AND SELECTION OF CONSULTANTS, INTERVIEWS

In accordance with established University procedures, UC Riverside will review all submittals in response to the RFQ and will select the most qualified firm for the listed project.

RFQ Qualification Submittals must be received on or before August 9, 2019, 2:00PM. Submit one (1) hardcopy and an electronic copy on transferable media (flash drive preferred) to:

Attn: Contracts Administration, Kara Longtin
Architects & Engineers
UNIVERSITY OF CALIFORNIA, RIVERSIDE
1223 University Avenue, Suite 240
Riverside, CA 92507

*Include the Project Number and Name on the outside of your envelope
A map of the Campus is available at: http://www.parking.ucr.edu/services/Inside.pdf.
The selection process will proceed as follows:

1. The University Screening Committee will evaluate each RFQ Submittal and will rank the top three (3) prospective firms on their demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required.

2. The Screening Committee shall develop a list ranking the top three firms, and shall submit the list to the Associate Vice Chancellor / Campus Architect for review and approval.

3. The Associate Vice Chancellor / Campus Architect shall review and approve the list. The Associate Vice Chancellor / Campus Architect shall notify all parties of the top three (3) ranking firms.

4. After review of the submittals, the University may, or may not, schedule interviews.

5. Submitting firms will be notified of the decision by the Selection Committee within 3 days of the Selection Committee’s decision.

6. If the University receives submissions from fewer than three qualified firms, the University may select from among the available qualified firms.

G. NEGOTIATION AND AWARD OF CONTRACT

1. The University will negotiate a contract with the best ranked qualified firm for services at compensation that the University determines as fair and reasonable.

2. Negotiations shall begin immediately after the successful firm has been notified of its selection, unless the written notice provides that additional time is necessary to begin negotiations.

3. The University and firm shall work together to ensure the successful delivery of the requested services in a timely fashion.

4. In the event an impasse is reached in negotiations, the University may terminate negotiations and enter into negotiations with the next qualified firm, in the same manner as prescribed below.
   a. Should the University be unable to negotiate a satisfactory contract with the firm considered to be the most qualified, at a price the University determines to be fair and reasonable, negotiations with that firm shall be formally terminated in writing by the University.
   b. The University shall then undertake negotiations with the second most qualified firm. Failing accord with the second most qualified firm, the University shall negotiations in writing. The University shall then undertake negotiations with the third most qualified firm.
   c. Should the University be unable to negotiate a satisfactory contract with any of the selected firms, the University shall select additional firms in order of their
competence and qualification and continue negotiations in accordance with these Instructions until an agreement is reached.
d. Upon the completion of negotiations, the University and the firm shall proceed to execute a contract. The University shall provide the firm the contract within 45 days after the conclusion of negotiations, unless the University notifies the firm that additional time is necessary to complete the contract.
e. If the selected firm fails to execute the contract within 14 days of receipt, the University may formally terminate the negotiations with that firm in writing and undertake negotiations with the second most qualified firm and so on as previously described above.
